

In loving memory, funeral collection gifts

Rather than sending flowers, some families and friends suggest donations in memory be sent to Shropshire Mind. This generous support means we can continue to help people with experience of mental distress.

How to make gifts in memory

This can be arranged through your funeral director. Alternatively, if sent directly, the full name and date of death of your loved one can be noted with each gift, and we will be able to tell you the total amount given.

Please send cheques payable to “**ShropshireMind**” to:

**Shropshire Mind,
Suites 3 &4 Observer House
Holywell Street
Shrewsbury
SY2 6BL**

Registered Charity Number 100317. A thank you letter will be sent to everyone who donates in memory, unless requested otherwise.

Express your wishes

If you wish Shropshire Mind to receive in memory donations when you die, it may be helpful to inform your executor by printing out and completing this form to keep with your will. Do not attach anything to your will as this may invalidate it.
